

Instructions

1. Print pages 2-4. If you are preparing the hunt for more than one player, each player will need a sleigh printout and gifts 1-6. Page 5 includes extra gifts if needed.
2. Cut out all six clues. You only need one set of clues.
3. Cut out all six gifts. Paper clip each gift to its corresponding clue. For example, gift #1 goes with clue #1. *If you are preparing this hunt for many players I recommend glueing the clues to envelopes and placing the gifts inside.
4. Write a personal message on the sixth clue card if desired.
5. Hide all clues and gifts in hiding places listed. Hide a gift or small surprise with clue #6 if desired.
6. Give player(s) the sleigh, which has the first clue, to begin the hunt.
7. As players find each clue and gift, have them glue or tape the gift into the back of the sleigh. Stack them on top of eachother to make them fit.

Hiding Places

Hide each gift and clue in the following location:

#1: Near something gray

#2: Inside dirty laundry basket

#3: On the Christmas tree

#4: Inside a drawer

#5: Inside the fridge, freezer, or a cooler

#6: Behind something red

Next check inside a soft stinky heap. Hopefully this gift won't smell like sweaty feet.

A gift for you and a gift for me. Carefully check to see if one fell in the tree!

You'll have to look hard to find gift number four. It may have fallen inside of a drawer.

Brr this gift fell in a place colder than the North Pole. You better rescue this one quick. Come on, let's go!

There's only one gift left to find. See something red and look behind.

Merry Christmas!

Can you help Santa put six lost gifts back into his sleigh? Look for the first gift near something gray.

Extra Gifts
